**Service provided**  
**Department of Anaesthesiology**

- Anaesthesia for routine & emergency operations in general surgery, Ortho, ENT , Ophthalmology, Obst. & Gynaecology.
- Providing anaesthesia outside operation theater.
  - 1) ECT
  - 2) C.T Scan
  - 3) MRI
  - 4) Radiology
  - 5) Radiotherapy
  - 6) Ophthalmology camps
  - 7) Leprosy camps
- Acute pain Management
- Pain clinic
- Obstetric analgesia
- CPR Training
- Resuscitation in casualty & wards
- Part of medical teams for VIPs
- Disaster management
- Trauma care
- Post Anaesthesia Care Unit

## **FUTURE PLANS**

### **(Anaesthesiology)**

- 1) Well equipped, state of art operation theatre with central oxygen, nitrous oxide , air and also central suction.
- 2) Well furnished & state of art seminar hall & library
- 3) Well furnished, equipped and state of art PACU (Post anaesthesia care unit ) & ICU (intensive care unit ).
- 4) Independent cabins for staff members .
- 5) Air conditioning of all operation theatres
- 6) Extending anaesthesia services to Labour analgesia & pain clinic with use of ultra sonography for nverve blocks .
- 7) To encourage fellowships in country and abroad for staff members/ teachers.

To provide better working conditions to residents & staff members in the department of anaesthesiology

#### **Student & Staff Facilities:**

- 1) Departmental library and seminar hall
- 2) Anesthesia Museum
- 3) Accommodations and canteen for students
- 4) Lockers for residents and staff
- 5) Laptop & projector for academic activities
- 6) Senior Anesthesiologists room

#### **Training programmes:**

- 1) CPR training for interns and staff nurses, Paramedical & Non- medical personals
- 2) Departmental induction programme for new Residents
- 3) Anesthesia training for medical officers
- 4) Under graduate & Post graduate anesthesia teaching

#### **Research activities :**

- 1) Various drug comparisons with permission of ethical committee.
- 2) Providing studies conducted by resident doctors as a thesis

or newer drugs comparisons conducted by teachers.

**INFORMATION ABOUT**  
DEPARTMENT OF ANESTHESIOLOGY,  
GOVERNMENT MEDICAL COLLEGE AURANGABAD

- Government Medical College Aurangabad was established in the year 1957
- From 1957-1963 Department of Anaesthesiology was working with Department of Surgery
- Separate department was established in the year 1963 & Department was shifted to new building
- First professor of Anaesthesiology was Dr. Ramchandra K. Dalvi in 1966
- Diploma anaesthesiology -1966
- M.D. anaesthesiology -1971.
- Post Anaesthesia Care Unit was started for Hon. Chief Minister of Maharashtra, Vasant Naik in 1969
- MCI Recognition for Diploma Anesthesiology in 1971
- MCI Recognition for MD Anesthesiology in 1973
- Pain clinic started by Professor Dr. V. B. Dave 1977
- Dr. N.D. Sathe prize declared for MD Anaesthesia by BAMU in 1988
- Shrimati Tondare prize declared for D.A. by BAMU in 1988
- Anaesthesia OPD was started on 16<sup>th</sup> October 1994 by Professor Dr. P. W. Panat
- 5<sup>th</sup> Maharashtra convention of Anesthesiology was organized at Aurangabad on 8<sup>th</sup> & 9<sup>th</sup> September 1990 - Organizing Secretary Dr. P.W. Panat
- CVTS Anesthesiology super specialty Department inauguration - 07.01.2009
- Department of Anesthesiology organized Interdisciplinary research conference at Aurangabad (5 to 7 February 2011) organizing Secretary - Dr. Sadhana Kulkarni
- Anesthesiology museum inauguration on. 01.10.2011
- Department of Anesthesiology was recognized for Ph.D Course in January 2012
- Alumni get together (Euphoria -2012) - 7, 8 April 2012
- PG students graduating from Department till (2012) 293

Dr.Tushar S Patil, Professor & Head, Department of Anaesthesia.
